CITY OF FORT LAUDERDALE

Fort Lauderdale Rotary Club

S.W. 11th Avenue/Palm Avenue
(W. Broward Boulevard to S.W. 4th Street)

"Service Above Self" is the official motto of the Fort Lauderdale Rotary Club, and all Rotarians are responsible for carrying out service projects that improve the quality of life in their community, as well as around the world.

For 90 years, the Fort Lauderdale Rotary Club has been one of the City's leading service clubs. Many members have been prominent civic and business leaders in the community and the roots run deep. The Club has left a rich legacy due to the wide range of service projects Rotarians have participated in over the years.

In line with the profound commitment to the City and its history, the Club has continued with long-standing associations by supporting historical Sailboat Bend in 2009 and adopting S.W. 11 Avenue, also known as Palm Avenue, in its early years. Once per quarter, dedicated Rotarians at work cleaning the street and the grounds of the Fort Lauderdale Fire and Safety Museum.
